

Ms Brakefield

Presents

Fall Garden Club

Students will dig into the joys of fall gardening while exploring the natural world around them. Together, we will plant cool-season vegetables, care for the school garden, and discover how plants, soil, and pollinators work together. Activities may include harvesting, seasonal crafts, and tasting produce. The club promotes teamwork, responsibility, and curiosity, while cultivating a love of nature and a commitment to health living. Instruction and fun from our Lower School Science teacher.

at

Hampton Roads Academy
Wednesdays only – September 10 – October 22
