Toy-tastic Art Class

Has your child ever painted with a Slinky or made a print with a LEGO Brick? This is their chance! Toy-tastic Art Fun is where young artists explore the world of iconic toys through art! In this unique class, children unleash their creativity by crafting pictures of beloved toys using a variety of mediums. From LEGO people, to teddy bears, rubber duckies, and Matchbox cars, each project encourages imagination and innovation. With a treasure trove of toys at their disposal, children create stunning artwork and learn to repurpose everyday objects into tools for self-expression. Join us for a playful journey where toys are used to create masterpieces! Come ready to get messy while you play right along with your child.
